

Sunday January 20, 2019 Art and Knowledge for Plankton –
Forging the Link in Watershed Wonders

2:00 p.m.

Delve into the world of Daphnia, Diatoms and drawings as we explore the incredible collaboration of Fellow of the Royal Science Society of Canada, Dr. Norman Yan and local artist Lynda Lynn on their work together.

Sunday February 3, 2019 Birds of Muskoka Watershed

2:00 p.m.

Join Mike Burell as he waxes about waxwings, warblers and other winged friends as he explores the birds of the Muskoka Watershed.

Sunday February 24, 2019 “Who Killed Tom Thomson”

2:00 p.m.

John Little, author of “Who Killed Tom Thomson” will show a video that will explain what was known about Thomson's death by the local people around Canoe Lake in 1917, starting with the discovery of the body, the burial and inquest.
